

Cash 24/7

Cash 24/7 means having the ability to move money at any time.

Its 3:00 a.m., the phone rings and your driver needs cash. Now, maybe for the first time, you feel confident in knowing you have the financial tools to solve the problem.

Never again get stuck without cash. Never wait for a factor or bank to open so they can move your own money. Now you are in control, because your NBT real-time cash management system is open 24/7.

It's easy. Go online with your computer or smartphone to:

- Get EFS Transchecks
- Load fuel cards
- Send bank wires
- Pay bills online

NBT takes the guesswork out of factoring by letting you see, interact with and manage your cash in real-time, at your convenience.
